# From the Desk of Dick Gray, President of the Past Shooters

Greetings,

I hope that everyone is enjoying the summer and being mindful that the 75<sup>th</sup> Anniversary of the One Shot is rapidly approaching. By now the office will have compiled the priority list for the antelope license draw.

A very important change is made for this September hunt and license draw. After quite a bit of discussion the board passed a resolution changing the timing of the release of the priority list. The list will be distributed to the past shooters after the auction on Thursday night. Any trading, deferring to a guest or other or changing of priority order will have to be turned in to the office NO LATER than 9:00 o'clock Friday morning. Any request for a change or deferment after this time may only be considered based upon unusual and special circumstances. The list will be distributed at 10:00 Friday morning at the license draw. We do this to help eliminate the confusion at the Friday morning license draw, and to encourage participation and attendance at the Thursday night Water for Wildlife Auction. Next year the added change will be that hunting parties will need to send in their rejection of license by individual emails.

We are going to try to start the Thursday night program a little earlier so that we do not end up with an empty house for the auction. The program will start at 6:30 p.m. So get to the bar early and have your dinner, hopefully we will complete the program and auction before 9:00 p.m.

The proposed revision of the by laws was distributed to the board members for review prior to adoption this September. If you would like a copy, please notify the office.

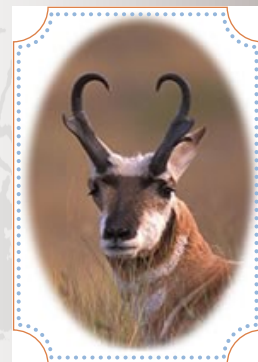

Our very capable Rick Fagnant, as Executive Vice President has done a great job in getting his arms around the office functions. This is a 12-month operation and requires a lot of time. Please join me in welcoming our new Executive Director, Erica Flom who is in charge of the office.

Alex, our summer intern, is enjoying the time spent working with the Game and Fish Departments. He spends considerable time in our office working on the database of the Water for Wildlife projects. He informs me that he is back to 1996. He will present a program at the meeting.

We had good attendance at the Foo Foo Rah. The Oxbow did an outstanding job in presenting many culinary treats and a sumptuous dinner Saturday night. Next year, the Foo Foo Rah will be held the second weekend in June at the Old Baldy Club in Saratoga Wyoming.

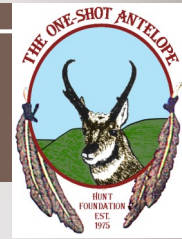

Looking forward to seeing you in September.

Dick Gray  
President  
Past Shooters

AUGUST 2015

# From the Desk of Jay Sandler, President Water for Wildlife

**So what's happening at Water for Wildlife this summer?**

Over the past 40 years Water For Wildlife has been responsible for installing or helping fund over 400 water projects in eight western states. These projects have been very successful in helping a variety of wildlife, game and non-game survive and prosper.

It has been somewhat of a challenge for us to keep accurate track of all these projects over the years, with respect to their current condition, possible needs for maintenance and in some cases continued relevance.

To aid in that effort, for the first time, Water for Wildlife has cooperatively funded a summer college intern that is working with us under the management of the Wyoming Game and Fish Department.

Alex Hogan, a Lander resident, is a student at the University of Wyoming studying Wildlife Management. He has been working with WFW and Fish and Game since early June. One of his key functions is updating our data on our water projects. Not only is he working on getting current condition updates and contact information for the people responsible for each project, he's also adding GPS coordinates and photos of the projects where possible, to our data base. He is working with and reporting to Ryan Amundson our very valued Liaison at Game and Fish.

We had the opportunity to meet Alex during the Foo Foo Rah and we're all very impressed and pleased to have him working on our behalf. Alex is planning on being at the 2015 One Shot Water for Wildlife Meeting so please plan to attend and meet him.

I look forward to seeing you all in Lander in September for the 75th Anniversary One Shot Hunt and of course at the Water for Wildlife Board Meeting on Friday morning, September 18th, 2015, the morning of Hunt week.

Happy Hunting,

Jay A. Sandler  
President  
One Shot Antelope Foundation  
Water For Wildlife

**AUGUST 2015**

## Continuation from Jay Sandler President of Water for Wildlife

There is no doubt that water is a powerful and not always a predictable force in our lives. This Spring and early summer the media has been busy covering the effects of the extreme drought that California and other nearby western states are currently experiencing. At the same time, the people in several cities in Texas have been experiencing destructive flooding. It was not long ago these same folks in Texas were dealing with drought conditions.

Our job at Water for Wildlife is to do our best to make water more predictable for the creatures, large and small, that occupy traditional arid western states, surrounding Wyoming and Colorado.

We do this by working cooperatively with a number of conservation organizations to build water projects. These projects whether they are wind mills or guzzlers are ultimately powered by dollars, so one of our prim functions at Water for Wildlife is fundraising.

As One Shot Past Shooters, you are a critical part of that fund raising effort. We not only depend on your generous individual donations, but we also benefit from donations and grants from corporations, foundations, and organizations which many of you may have existing relationships.

On behalf of the wildlife at large that roam the great western outdoors, we are asking for your help in the following way;

- Please consider a donation for Water for Wildlife this year. Every check & every dollar you contribute is very much appreciated and will be well utilized.

- Please think about corporations, foundations, and organizations you have current relationships with or contacts at, that could be potential donors. With your help and introductions, we can contact them and solicit donations and or grants.

- Please consider adding *monetarily* for Water for Wildlife to your Will, Trust, or Estate Plan. The kids don't really need ALL that inheritance do they?

*"With your help we can continue our mission to help the creatures in the wild survive and prosper, creatures that are an important part of our lives and enjoyment."*

*Jay Sandler President Water for Wildlife*

## From the Desk of Rick Fagnant Executive Vice President Past Shooters

I am pleased to announce some significant changes to the operational structure of the Past Shooters and Foundation office. We have created a new Executive Director Position and hired Erica Flom, who will start the first week in August. Our hope is that this move will enhance communications with the general public as well as the membership. We also want to see the Foundation grow significantly by soliciting both annual and planned (bequest) donations.

Work has commenced on changing the name of the Foundation as was voted on during the board meeting at the Foo Foo Rah. It was felt that by utilizing the "Water for Wildlife" handle in the Foundation name, we would have better luck in obtaining charitable donations.

Planning continues so that we are prepared for this year's hunt. We sure hope you consider coming to Lander to help us celebrate the 75<sup>th</sup> Anniversary of the hunt. Commemorative rifles, binoculars, patches and other merchandise will be available. The Hunt Club is excited about this year's slate of participants and the new Lander Community Center has proved to be an excellent venue for the event. We are planning on having the unveiling of a Justin Young life-size running antelope bronze that will find a permanent home at the Community Center thanks to the generous donation of Reagan Kott in memory of his life-long friend Ryan Roberts.

I think the best way to get to know Erica, and her perspective is to allow her some space to tell us about herself and to share some of her thoughts.

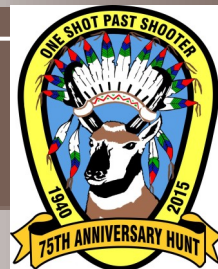

Best Wishes,

Rick Fagnant  
Executive Vice President Past Shooters

AUGUST 2015

## Meet the New Executive Director, Erica Flom

On behalf of the One Shot Foundation, Past Shooters, Hunt Club, & Water for Wildlife, I am delighted to announce that the new Executive Director of the One Shot Foundation will be Erica Flom. Erica is a widely respected leader, with a “get the job done” reputation.

Erica is fourth generation from Lander, the family homestead ranch, is still in operation. She started playing the fiddle at the age of 3, and is current title holder for the most Wyoming State Titles ever held. She holds National accreditations for “Trick and Fancy” & “Entertainer of the Year” Awards; with numerous international performances.

She attending Boise State University with a full-ride track scholarship, where she studied International Business, and minored in Languages. During her sophomore year she was pursued by the Executive Director of Citadel Communications, (after a fiddle performance with the Country Band, Lone Star), for her to host a Top-40 Morning Radio Show. Accepting the job, she helped earn 4 consecutive years as National Top Morning Radio Show in book ratings. Erica worked on a short term team for Idaho Power, creating and developing an integrated system for networking, and emergency communications program, to better assist operators and communities with communications during emergencies.

In 2006, Erica opened a 5,000 sq. ft. retail business, with a unique business model & futuristic marketing ideas, which entailed the fusion of Artwork, musical performances, Antique Cars on display, custom jewelry, international clothing lines. Her business won, Best New Store, Best Women’s & Best Men’s Clothing Awards the first two years of Business, earning Erica the nomination of Best Business Women of the Year Award.

Well known for her work with multiple non-profit organizations, she resides in Lander. Erica is the Vice President of The Pioneer Association in Lander, for the past consecutive years. When she’s not immersed in event or fundraising projects, she instructs fiddle and guitar lessons to both adults and children from around the county. She enjoys driving her team of Percheron’s (Lynn & Lonnie) horses for events, parades, or just for fun.

Erica has spent the first few weeks learning and listening to concerns over the ED position, which started August 1, 2015. Her first priority is to immerse herself in the understanding of the Foundation and getting ready for the 75th Anniversary of the One Shot Antelope Hunt. In her first weeks she toured and helped with updating photos on 9 water projects with the office intern, Alex Hogan. Erica stated, “Everyone should see and experience first hand just how beneficial these water projects truly are.” Her objectives short and long term for the Foundation are to lead with integrity and clear sense of purpose, better enabling future growth for a well-funded, progressively managed organization through integrity and a clear sense of purpose.

Welcome aboard, Erica!

Dick Gray, President Past Shooters,  
& Rick Fagnant, Executive Vice President Past Shooters

AUGUST 2015

## From the Desk of Travis Sweeney, President of the Hunt Club

Greetings to all Past Shooters and their families! I hope you all are enjoying your summer, and the weather has been cooperative for you and all of your planned activities. Here in Lander, we have experienced a little more of the wet stuff than usual. The 72<sup>nd</sup> Annual (75<sup>th</sup> Anniversary) One-Shot Antelope Hunt will occur on Saturday, September 19<sup>th</sup>, 2015. The Club's Board of Directors has selected another strong field, which include, an International Team and a Wounded Warriors Team. On behalf of the One-Shot Hunt Club Board of Directors, I am pleased to announce the following

### 2015 One-Shot Antelope Hunt Teams:

<b>Wyoming</b> Governor Matt Mead Todd Helton Terry Martin	<b>Mile High Marksmen</b> Jordan Bonicelli John Mansfield Thomas Mansfield	<b>Peter &amp; The Wolves</b> Pedro Teixeira Gonzalve Bich Javier Botin
<b>Western Sportsman</b> Ward French T. Garrick Steele Chris Gray	<b>Wounded Warriors</b> Jimmy Garris Kraig Patriquin David Garman	<b>Old Goat Hunters</b> Bruce Mountain Pat Rolfes James Silvestri
<b>Wingnut Shooting</b> David Trebing J.D. Crouch Tom Ewing	<b>Wildlife Conservation Pro's</b> Robert Bray Scott Talbott Dr. Mike Ross	<b>Colorado Team</b> Governor Hickenlooper Greg Maffei John Hereford

I would like to thank the members of the Hunt Club Board for their diligence and hard work in selecting a very strong field for this year's upcoming hunt!

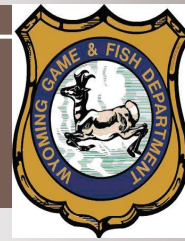

Last month the Past Shooter's Club held another successful Foo Foo Rah and a good time was had by all. The members of the One-Shot would like to again thank the Past Shooter's Club and Water for Wildlife Foundation for their continued support of the Hunt. With your help, we are able to keep the One-Shot Antelope Hunt as the most time honored and unique sportsman's event in the world!

On behalf of the One-Shot Hunt Club Board of Directors and local volunteers, I wish you safe travels to Lander for the 75th Anniversary of the Hunt in September. Also don't forget that we still have many sets of the 75th Anniversary Edition/Binocular Sets available for purchase. Don't miss out on your chance to own a piece of local history with this great opportunity.

Sincerely,

Travis L. Sweeney  
President, One Shot Antelope Hunt Club

# What's New with Water for Wildlife

Hello,

My name is Alex Hogan and I'm the Water for Wildlife intern for the summer. Let me tell you little about myself, I have the good fortune to call Lander my hometown, with the Wind River Mountains, as my back yard. I'm an avid outdoorsman enjoying hiking, fishing and hunting. This fall I will be starting my junior year at the University of Wyoming majoring in Wildlife and Fisheries with a minor in Rangeland Ecology. This newly developed internship provides me the opportunity to work with both Water for Wildlife and the Wyoming Game and Fish Department. My position started on June 1<sup>st</sup> with an alternating two week schedule concluding at the end of August. Depending upon what two week period it is, you can either find me working at the Dahl Museum (Water for Wildlife) or the regional Game and Fish office in Lander.

My duties for the summer with Water for Wildlife will be to contact land owners and agencies to create updated files for all the Water for Wildlife projects in Wyoming. These files will include information like updated contacts, GPS coordinates, project costs, project partners, species benefiting from the project, and project status. With the first couple of weeks under my belt, about 50 project folders have been created for projects since 2000.

For the past two weeks, I have completed a wide variety of tasks with several divisions within the Game and Fish. Some examples of my experience so far have been working with the Fisheries Division crew setting nets and electro-fishing for a population study on largemouth bass. Working with the Wildlife Division staff, we went into the field and observed treatment areas to eliminate weeds and improve habitat, reviewed potential projects that may partner with Water for Wildlife programs and performed goshawk and aspen regeneration surveys. A couple of my days were spent with the Habitat and Access Division crew pulling pipe, fixing fence, and irrigating to improve habitat on Whiskey Mountain Habitat unit. I even had a stint working the front office answering phones, selling licenses, registering boats and answering the public's questions. With the diversity of work and work places, I've been learning a lot and networking with many people. Work so far has provided me with a broad base of experience in just a few weeks and I can't wait to see what the rest of the summer has in store for me.

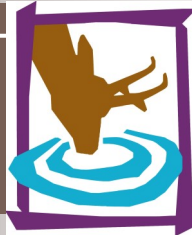

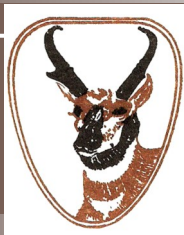

Sincerely,

Alex Hogan  
Water for Wildlife Intern

# RELEASE

*WHEREAS, the undersigned is familiar with firearms and hunting and has voluntarily requested to participate as a guest shooter in the One Shot Antelope Hunt and all its related activities, fully knowing and realizing the inherent risks and dangers of firearms, hunting and sporting events of this nature; and,*

WHEREAS, the undersigned desires to release and discharge certain parties from all personal injury and/or property damage of whatsoever kind or nature that may arise, directly or indirectly, as a result of or in any way related to his participating in the One Shot Antelope Hunt and its related activities; and,

WHEREAS, the undersigned understands that this release pertains to all unknown possible future injuries and/or damages from which he might otherwise have legal recourse but for the execution of this release.

NOW THEREFORE, in consideration of being allowed to participate in the One Shot Antelope Hunt and all related activities as a shooter and possible club member, the undersigned, on behalf of himself, his heirs, assigns and personal representatives, does hereby irrevocable and forever

1). Voluntarily release and discharge the One Shot Antelope Club and the One Shot Past Shooters Club, their officers, directors, committee members, club members, workers, employees, agents, servants, volunteers, sponsors, hunters and all landowners upon whose land they may be shooting, eating or otherwise, from any and all causes of action of whatsoever kind or nature, whether for personal injury, property damage or otherwise which may arise in law or in equity as a result of the undersigned's participation, in any manner, in the hunt and/or its related activities; and,

2). Voluntarily and personally assume all risk of loss and/or injury above described that may arise out of any activity referenced herein and absolutely waives all rights to dispute the scope and effect of the Release.

IN WITNESS WHEREOF, having read the above, I do execute this as my Release to participate in the One Shot Past Shooters Club Hunt, signed this \_\_\_\_\_ day of \_\_\_\_\_, 2015.
